IMPLEMENTING AGREEMENT ON PHOTOVOLTAIC POWER SYSTEMS

Agenda of PVPS@PVSEC-23, a half day workshop in conjunction with PVSEC-23, Taipei, October 31 2013

Date: Thursday, 31st October 2013

Time: 13:00 – 17:00

Venue: Room 101 D, Taipei International Convention Center (TICC)

Chair: Dr. Chinho Park, KETEP/ Ms. Izumi KAIZUKA, RTS

Time	Title and Speaker
	Opening remarks: Dr. C. W. Lan, General Chair of PVSEC-23
13:00 (5 min)	Opening remarks from IEA PVPS, Mr. Gaëtan Masson, PVPS Task 1 Chairperson/ EPIA(European Photovoltaic Industry Association
13:05 (15 min)	"Overview of IEA PVPS Activities and Trends of PV power generation", IEA PVPS (Mr. Gaëtan Masson, PVPS Task 1 Chairperson/ EPIA (European Photovoltaic Industry Association)
13:20 (15 min)	"Status of PV in Taiwan (TBC)"; Dr. Robert Yie-Zu HU, Green Energy and Environment Research Laboratories, Industrial Technology Research Institute
13:35 (15 min)	"Status of Large scale PV system - Study on very large scale photovoltaic power generation systems" Mr Keiichi Komoto, Task 8 Chairperson, MHIR, Japan
13:50 (15 min)	"Investment in PV plants - The influence of capital costs", Mr. Pius Hüsser, Task 1 expert, Switzerland, Nova Energie
14:05 (15 min)	"Status of Canadian PV Market (TBC)", Mr John Gorman, Task 1 expert/ President, Canadian Solar Association (CANSIA)
14:20 (15 min)	Questions and discussion
14:30	Break
15:30 (15 min)	"China Mainland PV vision 2020, 2030 and 2050", Ms. Lv Fang, Task 1 expert, China Mainland, Chinese Academy of Science
15:45 (15 min)	"Status of PV Development in Korea," Dr. Chinho Park, Task 1 expert, Korea, Yeungnam Univ.
16:00 (15 min)	"PV Market in Japan, opportunities and challenges", Ms Izumi Kaizuka, Task 1 expert, Japan, RTS Corporation
16:15 (15 min)	"Status of PV in Thailand", Dr. Tanokkorn Chenvidhy, King Mongkut Institute of Technology, Thailand
16:30 (15 min)	"Status of PV in emerging countries", Mr. Peter Ahm, Task 1/ Task 9 expert, Denmark, PA Energy
16:45 15 min	Questions and discussion
